

REED PARISH COUNCIL

REED VOLUNTEERS ARE STILL HERE TO HELP

Reed is renowned for its strong community spirit and over the past months parishioners have demonstrated again that they are there for each other and have provided support in a huge number of different ways, we want you know that support is still available and will continue to be there until it is no longer required.

Ways volunteers can continue to help you:

- Making sure you have the food and medicine you require
- Getting you to hospital and doctors' appointments
- Collecting books from the library or a parcel from the Sorting Office
- Having a friendly person to chat with
- Join one of the village online activities – quiz nights, book club, lunch chats

To ask for help, find out about our online activities, or even to just feel connected with others within the village, we encourage you to join one or both of the social media groups:
