

Reed Annual Parish Meeting

Thurs. 9th May 2019, 8pm

A Reminder of Reed's Annual Parish Meeting in the Village Hall

Do come along for a chance to be updated on what's been happening in the village, including the latest situation regarding The Cabinet. A speaker from the Police Neighbourhood Watch Liaison Team will be there to give a short presentation about crime prevention.

There will also be the annual reports from village clubs and organisations, publicising the range of social, recreational and cultural activity in Reed throughout the year.

The Meeting is also an opportunity to raise any matters relating to life in the village, including ideas for use of the money from Push Energy. And it's a chance to socialise with neighbours. There will be wine and nibbles following the meeting.

We look forward to seeing you.

Reed Parish Council
